off applicants a first or second advance as the case may be, may be sanctioned on the usual terms on receipt of a report from the authorities concerned. As regards non-official purchasers of sites remaining to be built upon, my humble opinion is that the ~~conditions~~ terms of the grant should be strictly enforced. The conditions of the Mysore City are different from those of the Bangalore City Extension. In the case of the former one legislation is a more comprehensive measure. It seems to me undesirable that we should attempt a special legislation with regard to this City matter for the benefit of the small no of persons who purchased sites in the Bangalore Cantonment on certain conditions to which they have since failed to conform.

one year's pay to officials of moderate means was withdrawn in Govt. Proc. No. 534-573 R.7.17-98 dated the 20th July 1900. The President's present recommendation which is supported by the Councillors is to renew that Concession. It has been ascertained in the Financial Branch that orders have not been issued in any other Connection renewing the Concession ~~during the quarter in the Making arrangements for the payment~~.
